Dear [Name],

I am pleased to submit my resume for the **Solutions Specialist** position with your organization. Given my background in the field, I am in a great position to make a significant contribution to your business. Beyond offering 10+ years of experience in business applications, I also have hundreds of unique implementations to-date. I excel at melding my past experiences in varying roles while engaging with audiences to identify their needs and offer holistic solutions.

Throughout my career, I have demonstrated consistent success applying aptitudes as a leader and pioneer to achieve high standards and goals. Not only have I garnered countless hours in the field, but my extensive training makes me a prime candidate for this opportunity. My ability to connect with others beyond the focus area allows me to conceive innovative solutions and envision a transformative future. I offer experience developing and executing technical readiness initiatives via Microsoft Ready, Onboarding Immersion, and Global Learning Tours ensuring field technology sellers can achieve their goals and thrive in a competitive market.

To further acquaint you with the specifics of my background, I am enclosing my resume. I am a motivated, solution-oriented team player who consistently concentrates on taking businesses to the next level, and it is my goal to work with an organization that shares a passion for this approach to growth.

I would be pleased to speak with a member from your team to further explore how my background will make me a valuable addition to your organization. Thank you for reviewing this letter and the attached document.

Sincerely,

Vince Lopiccola
